"I WANT
YOU TO . . .

Each
Other

Color this picture and circle all the loving things in it.
Tell someone what they are.
Do you see any bad things?
Underline them.

Find and circle all of the hearts in the picture.

A black and white line drawing of a town scene for coloring. The scene includes City Hospital, City Park, and various people engaged in different activities. There are several hearts scattered throughout the image for a coloring activity. The drawing is detailed with many small elements like clouds, flowers, and people's expressions. The text at the top right provides instructions for a coloring and observation activity. The text at the bottom right provides a specific instruction for finding hearts in the picture.

Color this picture and circle all
the loving things in it.
Tell someone what they are.
Do you see any bad things?
Underline them.

Find and circle all of the hearts in the picture.

The illustration depicts a bustling town square or park area. In the background, there's a building labeled "CITY HOSPITAL" with a sign above its entrance. To the left, another building has a "TRASH" can hanging from its roof and a sign that says "DOUG'S HERE". A man is seen running towards the trash can. In the center, a sign reads "CITY PARK". People are engaged in various activities: a woman is holding a baby, a man is playing a guitar, a boy is jumping rope, a girl is playing a game, and a dog is playing with a ball. There are also some flowers and a small garden. Several heart symbols are scattered throughout the scene, including one in the sky, one on a cloud, one on a flower, one on a sign, and one on a person's head. The overall tone is positive and community-oriented.
